9. PUGM - ace
10. Fortnite

I can play in the morning before the online class and evening after the online class. 6-8 hours playtime and 150-200 SLP per day

you can trust me because I'm Vladia Disuanco's cousin, I am friendly and can have a bond with my fellow scholars

I watched many axie videos on youtube and on tiktok, I know some basic mechanic of the gameplay. I can learn fast because of my knowledge indifferent kind of games

why you should hire me?

since I was in grade school, I fell in love in playing games, every time I go home or every time there is no school I can be found on the computer shops playing dota or lol. Since then playing games is part of my life, In that I can use my experiences in gaming to play axie the best way possible, I can utilize my game sense in playing axie and lastly to use my character traits to form a bond with my fellow scholars
