ABOUT ME

TRESHIA ANNE

Im a college student from the philippines i take BTLED Major in ICT course i really love to edit video take pictures and explore new things and im also devoted to what i love

VISION

Give a new color in the creative industry and become a leading and professional graphic designer. Good for small, medium and large projects, as a service provider for company logo creation, graphic design, and pack design.

MISSION

Has a mission to provide the best and professional service for every company or individual, and is able to provide creative ideas to support the success of the company. Build mutually beneficial and supportive partnerships synergistically.

PERSONAL SKILLS

VIDEO EDITING

Video editing is one of my passion
I use to edit birthday video trailer
promotional video, vlog,
informational video
and other types of editing
depends on what my client
want

LOGO

Logo is one on demand
work i also make logo
businesses, company
logo ,
or even product logo but
my skill is still on
progress

GRAPHIC DESIGNER

Graphic designing is not
easy job but in our school
we use to make tons for
projects and other school
use purposes and im still
on the making.

EDUCATION BACKGROUND

SENIOR HIGH SCHOOL	COLLEGE	BTLED MAJOR ICT
2020	2021	2022
Presentation are communication tools that can be used as demonstrations, lectures, reports, and more.	Presentation are communication tools that can be used as demonstrations, lectures, reports, and more.	Presentation are communication tools that can be used as demonstrations, lectures, reports, and more.

WORK EXPERIENCE

Presentation are communication tools that can be used as demonstrations, lectures, reports, and more. it is mostly presented before an audience.

I use to take and edit promotional video in my school and i also take and edit pre debut or any birthday vids.

VIDEO EDITING

I create my own logo for my school project and my skill is still in the progress.
