### Sohrab Rahimi – Crypto Brand & Graphic Designer

#### About Me

I'm Sohrab, a freelance graphic designer helping blockchain and crypto projects build strong visual identities.

My work blends clean, modern design with an understanding of crypto culture and branding.

I deliver fast and work with unlimited revisions until my clients are fully satisfied.

- Banner & Layout Work:

A banner design with a dark blue background. It features a Bitcoin symbol on the left, a line graph on the right, and a small Ethereum logo in the center. The text 'SOHRAB RAHIMI' is prominently displayed in white, bold, uppercase letters. Below it, 'FREELANCE CRYPTO DESIGNER & TRADER' is written in a smaller font, followed by 'DM FOR INQUIRIES' at the bottom. A three-dot menu icon is in the top right corner.
