📍 Oron Road, Uyo Akwa Ibom State, Nigeria

OBJECTIVE

Impact driven with 3+ years experience in lead generation, community management, proven customer service, and communication skills. Poised on developing and executing community engagement and growth strategies.

EXPERIENCE

Feb.2022 - April 2023

- **Discord Moderator**

Zetachain

- As a discord server moderator at Zetachain - the world's first and only public Blockchain that connects all other Blockchains, I provided technical support to testnet users and community members in general.
- Attended to inquires from first time users of the zetalabs and provided a positive and engaging environment for growth and success of the the project.
- Hosted offline meetups to create brand awareness and leverage on partnerships and collaboration with other projects.

March 2022 - Feb. 2023

- **Discord Chat Engager**

DAO 'n' Frens /FND/

- As a discord chat Engager for DAO 'n' Frens, maintained brand culture in the community.
- Onboarded over 400+ new members, ensured growth and sustained a positive and inclusive environment for creatives in the server.

April 2022 - Nov 2022

- **Growth and Promo**

Yoshi Exchange DAO

- Onboarded over 800+ new members to the server.
- Attended to inquires about the project and maintained a healthy inclusive environment for enthusiasts.

Nov 2022 - Dec 2022

- **Moderator**

DIA DAO

- As moderator for DIA DAO - an open source, multichain oracle platform for web3, provided technical support to new members of the community.
- Attended to inquires, resolved conflicts and enforced community guidelines.
- Ensured and fostered a positive community for all enthusiast of the DIA DAO project.

Nov 2022 - February 2023

- **Regional Lead Mentor | Telegram Community Manager**

NITDA Blockchain Scholarship Program

- Provided timely update on the state of the project to the beneficiaries on the telegram community.
- Attended to inquires and resolved conflicts.
- Provided technical support and organized monthly offline meetups to ensure everyone is in sync with the state of the project.
- Enforced community guidelines and maintain brand culture across board.
