

Brice - Web Developer Portfolio

Business Website Demo

A 5-page responsive site built for a local service business. Includes Home, About, Services, Contact, and FAQ pages. Designed for mobile and fast loading using HTML, CSS, and simple animations.

Personal Portfolio Site

A clean and professional website to showcase personal skills, project samples, and contact information. Built with responsive design and optimized for all devices.

E-commerce Sample Website

Mockup of an online store with product listings, shopping cart, and secure checkout integration. Demonstrates layout skills, payment flow understanding, and user-friendly navigation.
