

Alfred Christopher – Community Manager & Moderator (Web3 | NFT | Crypto | DeFi)**

About Me

Hi, I'm Alfred Christopher — a dedicated Community Manager & Moderator with a passion for building active, loyal, and engaged communities in the **Web3, DeFi, NFT, and blockchain space. I bring over years of experience managing global audiences, driving conversations, and ensuring smooth community operations across platforms like Discord, Telegram, X (Twitter), and Reddit.

I help projects grow from zero to thousands of active users through genuine engagement, structured moderation, and strategic community planning.

What I Do

- * Discord & Telegram Setup and Management
- * Community Engagement & Growth Strategy
- * Moderation and Conflict Resolution
- * Analytics, Feedback Collection & Reporting
- * Event Hosting (AMAs, Giveaways, Quizzes, Community Calls)
- * Announcements & Content Scheduling
- * 24/7 Support & Community Guidance

Platforms I Work With

- * Discord – Management, moderating.
- * Telegram – Group management, spam control, user support.
- * X (Twitter) – Engagement, threads, giveaways, retweet campaigns.
- * Reddit – Moderation, subreddit setup, discussion promotion.

Experience

1. Mod/Community Lead – [SPACE JUNK]
 - * Grow organically.
 - * Reduced FUD and spam by 90% using structured moderation tools
 - * Build raid community and shilling the project.

2. Moderator – [CREEDTECH ACADEMY]

- * Managed multilingual support across time zones
- * Engaged students during live classes and webinars
- * Educational resources for community learning

3. Ambassdor – [Liberty Finance]

- * Educated users on platform utility and updates
- * Led efforts to grow an active investor-focused community

Achievements

- *  Helped raise community engagement.
- *  Handled collaboration successfully.
- *  Led efforts to grow an active investor-focused community
