

# Bawali Technical Services

Operating In UAE

# About US

BAWALI Technical Services was established in 2013 with an aim to provide cost efficient solutions. We commit ourselves to the highest quality, health, safety & environmental standards. Our Company is located in Dubai, United Arab Emirates.

We undertake all types of technical works including Carpentry, Office fit-out, Painting, Flooring, A/C maintenance, Electrical & Plumbing works and Woodworks, handyman services and masonry services. We are determined to maintain the utmost level of commitment, dedication, and reliability. We understand the importance of providing our clients with the highest level of service. We believe the real foundation of success is the satisfaction of the customers.

# Our Services

---

## Carpentry Services

We offer the best quality Carpentry solutions for residential, commercial, and industrial properties with experience in all types of applications & finishes, our priority is to meet client needs.

We take all types of carpentry work from handle fittings to interior related work. When it comes to choosing a Carpentry & Wooden Work of your home, with quality and trust should never be compromised. Working with a professional is an absolute must.

## Office Fitout

Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the space. So when you have a plan about to create from beginning or renovate your residence, office, club, shop, beauty salon, or any other established business all over UAE, then must choose Bawali Technical to enjoy quality work.

---

## Painting Services

Our company was established as a proprietorship firm with an aim of attaining remarkable success in this domain of Technical services by our experts. Your home is more than just a place to live. It's where your memories are made and where your dreams come true. Your home is where your life happens – shouldn't it look beautiful?

At Smart Touch Painters. Services, we believe that everyone deserves to live in a beautiful home. Painting is one of the least costly ways that can improve and change the overall appearance of your home.

---

## Electrical Services

Relying on our great expertise, we have earned numerous accolades from our clients as one of the most prominent Technical service providers. When your home or business requires electrical repairs, upgrades or any other type of electrical work, you want a highly qualified electrician to handle the job safely and effectively.

At Bawali Technical, our electrical team has the experience and skill to see that the job is done right.

---

## AC Installation and Maintenance

Is your air conditioner not working as well as it should—or worse—not at all? At Bawali, we offer all the cooling system services you need. Our expert technicians receive extensive training in servicing all types of air conditioners, you can depend on for every residential or commercial cooling service. Our technicians provide expert air conditioning services such as:

- Repair
  - Maintenance
  - Installation
  - Replacement
- 

## Plumbing Services

At Bawali, we offer a complete lineup of plumbing services, including plumbing repair, inspection and installation, water heater repair and replacement, drain cleaning and sump pump services. Our expert plumbers serve the homes and businesses in UAE.

To keep your kitchen, bathroom and other household plumbing fixtures flowing smoothly and in great shape, it always pays to call in the experts.

---

## Handyman Services

The Handyman Operates In United Arab Emirates and Provides A Variety Of Services Including Construction, Renovation, And Maintenance & Repair.

We provide our employees with the best tools and make sure that they are smartly uniformed. This minimizes delays and ensures that the job is done on time.

---

## Masonry Services

We offer complete Masonry Service to commercial and residential owners everywhere in UAE . All our handymen and masons are well experienced in the masonry field and work under professional supervision.

Building a home is an art and only an expert can do that task but the work doesn't just end when the building is complete. It moves on to other kinds of maintenance and repair tasks as repair is important in Masonry Service.
