Sohrab Rahimi – Visual & WordPress Designer

Logo Design | Poster Design | Product Mockups | WordPress Websites

---

Overview

I am a versatile designer specializing in logos, posters, product mockups, and custom WordPress websites. My mission is to bring your brand's identity to life—whether through striking visuals or a responsive, SEO-optimized website.

I work with international startups, agencies, and entrepreneurs, delivering high-quality designs and functional websites that make a difference.

✅ Available for freelance projects – crypto-friendly. (USDT, USDC, ETH accepted.)

Services Offered

- Logo Design: Brand marks, minimalist logos, symbols, and wordmarks
- Poster Design: Event flyers, digital posters, and ad creatives
- Product Mockups: Packaging visuals, clothing tags, and label previews
- WordPress Website Design: Custom themes, responsive layouts, and SEO optimization

---
