## Content Writing & Blog Posts

Project: Health & Wellness Blog

Client: U.S.-based wellness startup

Scope: Wrote over 20 SEO-optimized blog posts (1,000-1,500 words each) on topics like nutrition, mental health, and fitness.

Result: Increased organic traffic by 45% in 2 months.

Sample: Available on request

## Translation Projects

Languages: Spanish, French, German, Arabic, Chinese, Russian, Hindi

Project: Website Translation for eCommerce Brand

Scope: Translated entire website content (~8,000 words) from English to Spanish and French, maintaining tone and accuracy.

Result: Boosted international customer engagement by 60%.

## Proofreading & Editing

Project: Business Reports & Academic Papers

Scope: Edited over 50+ business documents, research papers, and marketing content for grammar, clarity, and tone.

Client Feedback: "High-quality, fast turnaround. Highly recommend!"

## SEO Content & Article Rewriting

# Portfolio of [Your Name]

*Multilingual Content Writer | Translator | Editor | SEO Specialist*

Project: SEO Blog for Tech Company

Scope: Rewrote 15 outdated articles with updated keywords and engaging tone.

Result: Improved Google rankings from page 3 to page 1.

## eBook Writing

Topic: Personal Development & Productivity

Length: 10,000+ words

Features: Unique voice, engaging tone, structured chapters with summaries and exercises.

Client Rating: 5/5

## Social Media & Marketing Content

Project: Instagram & LinkedIn Posts for Startup

Scope: Created weekly content calendar and captions with brand-aligned messaging.

Result: Increased engagement by 30% and follower count by 1.5x in 3 months.

## Business & Research Writing

Project: B2B Whitepapers and Research Reports

Scope: Conducted industry-specific research and authored reports tailored to executive readers.

Result: Helped client establish thought leadership in the digital transformation space.
