

The background features a series of concentric circles in various shades of blue, with small blue dots scattered throughout, creating a dynamic, digital-like pattern.

Proposal

Digital Marketer and Content Creator

Hello!

I am Amirali

I am digital marketer & content creator

Lets start

I'm so glad you're taking the time to read my proposal. As you know, digital marketing, content creation, and social media management are now essential and vital needs for any business. Currently, one of the most cost-effective ways to reach customers and develop your brand is by investing in social media, producing appropriate content, and focusing on digital marketing. You can reach hundreds of times more audiences for a fifth of the cost of traditional advertising. Below are the areas we can collaborate on:

Content Creation!

- I have written or curated over 100 articles on various topics. Additionally, I have managed 15 Instagram accounts and 6 Telegram channels in the field of social media content production. For example, I've been working with a car service Instagram account since the very beginning, and within one month and ten days, it had over 15,000% growth. I did everything from content calendar, page improvement, advertising, proper hashtagging, to content production.

- **Content calendar**
- **Social media management**
- **Social media growth and development**
- **Writing articles on various topics**
- **Designing posts for social media**
- **Social media account management**

Advertising Strategy & Campaign Writing

- Over the years, I've executed lead-generation campaigns and calculated lead volumes for various industries. I can provide 360-degree advertising solutions that help you attract leads and build brand awareness. I specialize in PPC advertising, social media advertising, and more!

Campaign Writing:

- Market entry
- Gamification
- Advertising
- Brand awareness
- Increasing customer lifetime value
- Improving customer experience

“

What makes me stand out is my knack for thinking creatively and finding unique solutions that fit your specific needs. I truly believe that each business is one-of-a-kind and deserves a personalized approach. That's why I take the time to understand your brand, your audience, and your objectives, so I can develop a strategy that works for you.

If you're ready to take your business to the next level, let's chat! I'm excited to hear about any challenges you're facing and how we can work together to overcome them.

Let's think outside the box 📦!
