## PROJECT MANAGER

### PERSONAL PROFILE

I am an IT project manager with holistic knowledge of software development, project management and design. I am also experienced in coordinating with stakeholders. Professional trader specializing in gold, futures, crypto and forex. Familiar with the market and equally able to succeed in times of upswing and downturn. Skilled in training other personnel in methods of Forex trading and developing educational materials to assist in training. Excellent ability to work either alone or as part of a team, and proven track record of success doing both.

### WORK EXPERIENCE
