OUR MENU

CHICKEN KARAHI

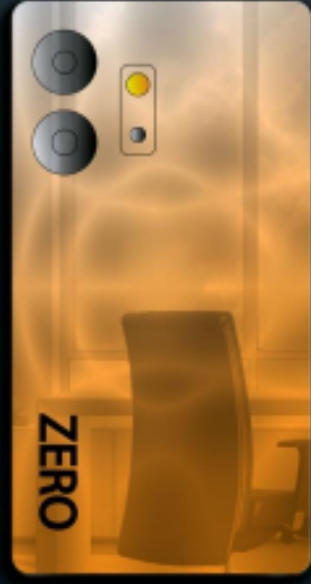

Traditionally press-formed from mild steel sheet or made of wrought iron, a karahi resembles a wok with steeper sides. Today, they can be made of stainless steel, copper, and nonstick surfaces, both round and flat-bottomed or of the traditional materials.

BEEF KARAHI

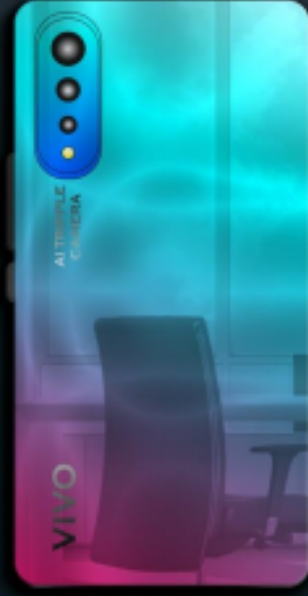

Gosht or ghosht refers to tender meat cooked for a long time, and used as a ingredient in a number of Middle Eastern cuisine, Central Asian cuisine and cuisines of the Indian subcontinent. The word stems from the Persian word gosht , meaning "meat" or "flesh", especially that of goat. Gosht.

MUTTON KARAHI

Lamb karahi is a Pakistani style lamb curry made with diced lamb pieces in a rich and spicy tomato-based gravy, with lots of fresh ginger and coriander on top. Best served with naan
