About Me

I am a multilingual translator specialized in legal translations, with strong command over Persian, English, and Russian. My work includes translating contracts, legal documents, terms & conditions, and other formal texts with full attention to detail and legal accuracy.

I offer professional and confidential services with a deep understanding of both legal terminology and cultural nuances across the three languages.

My Services Include:

- Translation of contracts and agreements
- Translation of terms & conditions
- Legal correspondence and official documents
- Proofreading & editing legal content
- Translation from handwritten legal texts (upon request)

Why Choose Me?

- Fluent in Persian, English, and Russian
- Deep knowledge of legal terminology
- Timely delivery & clear communication
- 100% human translation (no AI tools used)
- Commitment to confidentiality and quality

Sample Translation (Optional)

English to Persian Legal Excerpt:

"This agreement shall be governed by the laws of the Republic of [Country]."

Persian: "این قرارداد تابع قوانین جمهوری [نام کشور] خواهد بود."
