

Sohrab Rahimi - Visual Designer

Logo Design | Poster Design | Product Mockups

Overview

I am a visual designer passionate about creating clean, striking visuals for modern brands. My focus is on delivering branding that's memorable, posters that sell, and mockups that look real and polished. I work remotely with international startups, agencies, and entrepreneurs.

Available for freelance projects - crypto-friendly. (USDT, USDC accepted.)

Services Offered

- Logo Design - Brand marks, minimal logos, symbols, and wordmarks
- Poster Design - Event flyers, digital posters, ad creatives
- Product Mockups - Packaging visuals, clothing tags, label previews
