

MOVE

The word "MOVE" is rendered in a large, bold, light green font with a slight drop shadow. Each letter is creatively integrated with a black silhouette of a person in a different physical activity: a runner on top of the 'M', a person in a meditative lotus position inside the 'O', a person hanging from a pull-up bar inside the 'V', and a person performing a handstand on top of the 'E'. The background is a smooth gradient from orange at the top to red at the bottom.
