Dear Sir/Madam,

RE: RECOMMENDATION FOR A SCHOLARSHIP FOR MR. YAMBAZI TUKE

Reference is made to the above captioned subject. I write to recommend Mr. Tuke for a Scholarship to study for a Master of Science in Sustainable Business Management under the Mauritius Africa Scholarships.

I have known Yambazi for over six years now and as my student at the University of Zambia during his Bachelor of Arts with Education degree study programme. Yambazi is a mature academician who presented good essays and his seminar presentations were fairly good too.

He struck me as a most conscientious student at the time that I taught him. Mr. Tuke is very well disciplined and easy to work with. I am sure that he is capable of studying for a Master of Science degree programme if he is given a chance. During his Bachelors programme Tuke showed exceptional skills in research and leadership. Given his respectful and cooperative nature Tuke can manage to study very well in a community of different nationals. I will be available to give more information about him if need be.

Yours faithfully,

Dr. Innocent Mutale Mulenga
