

Crypto Mutant Eggs

Evil Mutation is discovered in Metaverse by a disease on the Ethereum blockchain. It didn't take long before the first creatures began to feel the effects of the infection, causing Eggs to mutate. Do not miss the opportunity to get one of them.

What are Crypto Mutant Eggs

Each artwork is unique, very detailed and carries a piece of the soul of our crazy artist! Our artist is obsessed with mutants and his fantasy blows our heads.

We were the first to make Eggs alive and mutated!

Mutant Eggs are just the beginning!

RELEASE THE CRYPTO MUTANT EGGS

Launch the initial collection of 50 infected Crypto Mutant Eggs on to the world, and begin the search for a cure. Establish DAO wallet and begin purchasing blue chip NFTs to fractionalize and distribute via staked Crypto Mutant Eggs

EXPAND THE MUTANT UNIVERSE

Expand the Mutant Universe Crypto Mutant Eggs mark the first expansion of the Crypto Mutant Eggs universe as the second species to deform due the widespread infection. Stake your Crypto Mutant Eggs to harvest a mysterious new \$SERUM.

THE CURED COLLECTION

With enough blood, sweat, and \$SERUM, Crypto Mutant Eggs will finally be able to cure themselves of their horrendous

With enough blood, sweat, and \$SERUM, Crypto Mutant Eggs will finally be able to cure themselves of their horrendous disease. By harvesting enough \$SERUM from your Crypto Mutant Eggs, or trading for \$SERUM on secondary markets, holders will have to face the ultimate choice: Keeping their beloved, yet beastly Crypto Mutant Eggs, or douse them in \$SERUM, forever burning the existing NFT and creating an entirely new species of Crypto Mutant Eggs, complete with new traits, rarities, and utility!

BREEDING FOR CRYPTO MUTANT EGGS

As our Mutant Universe continues to take shape, our expansion into the metaverse will begin with a collection of badass Crypto Mutant Eggs. To get access to the future Crypto Mutant Eggs metaverse community, two Cured Eggs will need to be bred, which will produce the iconic Crypto Mutant Eggs ready for the Metaverse!
