

I invite you to look at my portfolio, which contains case studies and articles I've written for clients in my role as an SEO Copywriter. It gives you a glimpse of my process, methodology, and research techniques: [M.Session Portfolio](#)

I find creating engaging learning materials fascinating so I wish to share a self-paced micro-learning course on B2B Marketing that I designed myself that showcases my subject matter expertise, instructional design, and e-learning development skills as well: [B2B Marketing Microlearning](#)
