

MINT NOW

# WELCOME TO TENNIS SHOT 3.0 METaverse

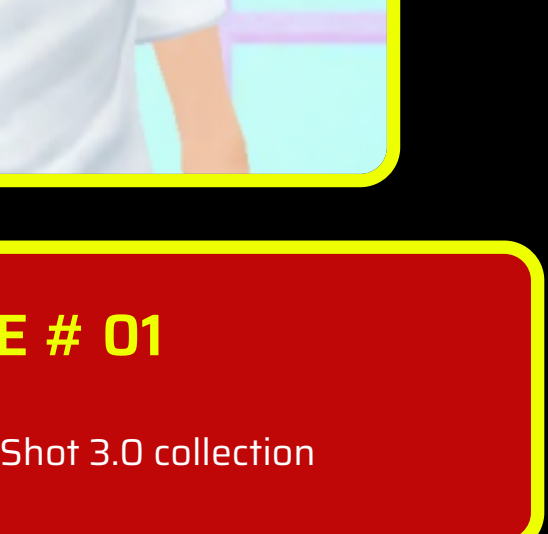

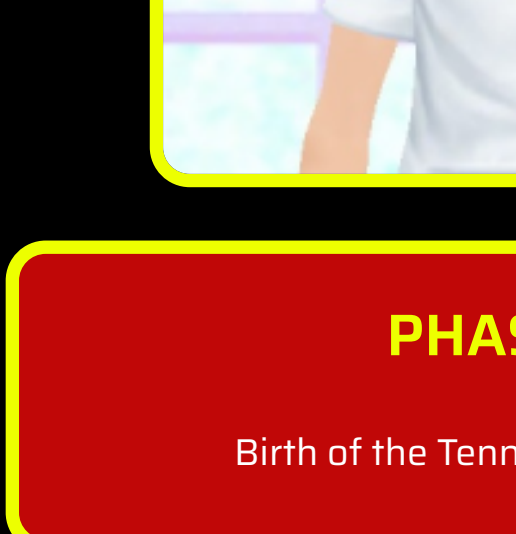

Ebisu's Bay

## ABOUT US

A team of tennis enthusiasts with already considerable experience in the sector, trying every day to bring technological innovations in this sector to innovate it in future projection. Tennis shot3.0 is a collection of 1000 unique examples of tennis players in the metaverse with unique characteristics that distinguish them from each other and each of them has its own ranking of rarities. Find out who will be your trusted tennis player for the next few years 🔥

## OUR COLLECTIONS

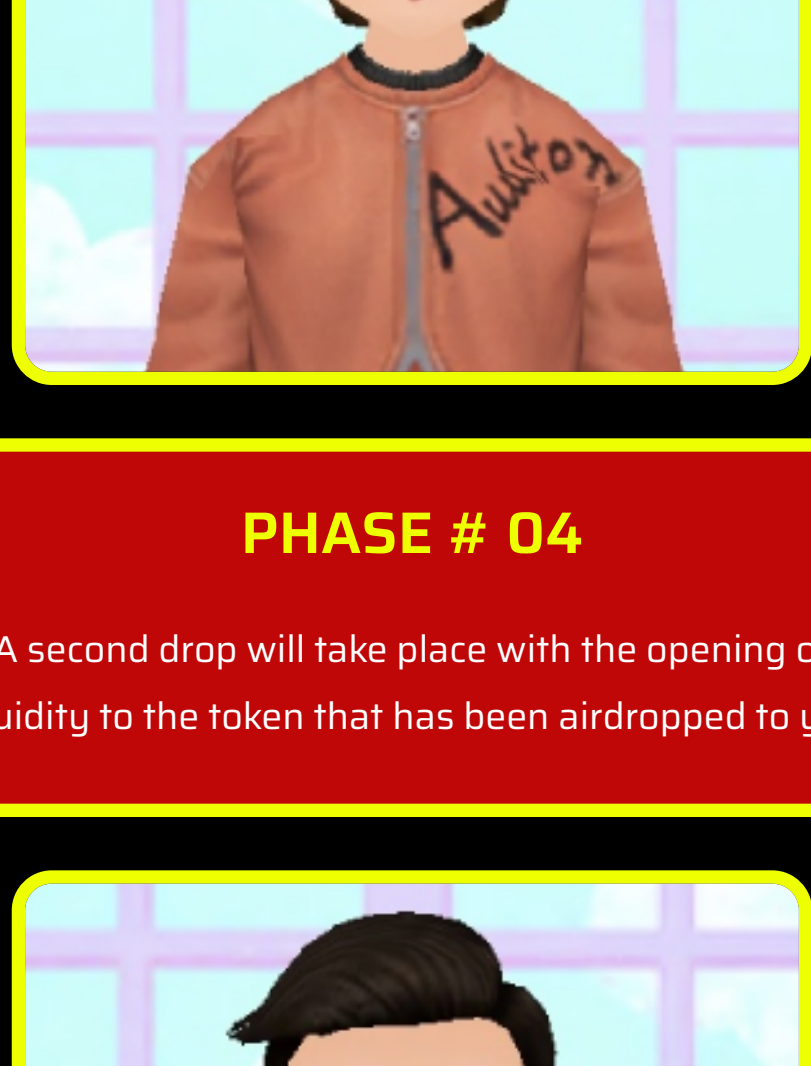

## ROADMAP

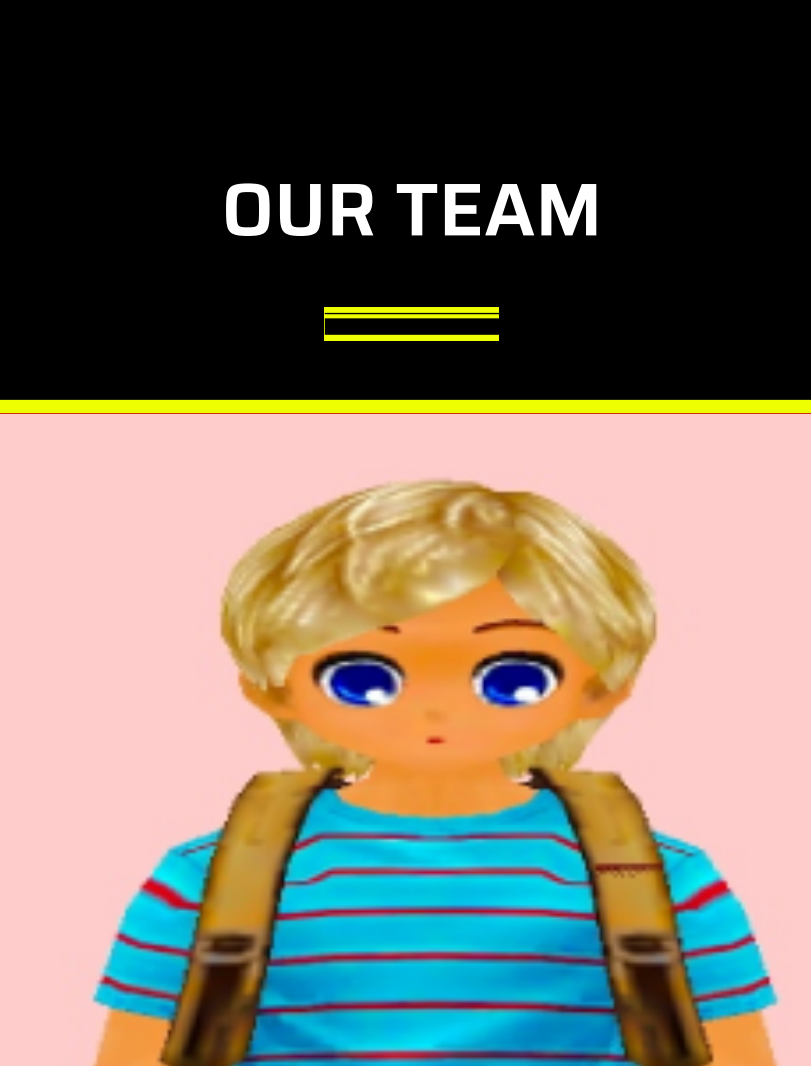

### PHASE # 01

Birth of the TennisShot 3.0 collection

### PHASE # 02

MINT DAY ON EBISU'S BAY with a revelation of the rarity of NFT and the ranking. You can already trade them in the marketplace as soon as you mine your NFT.

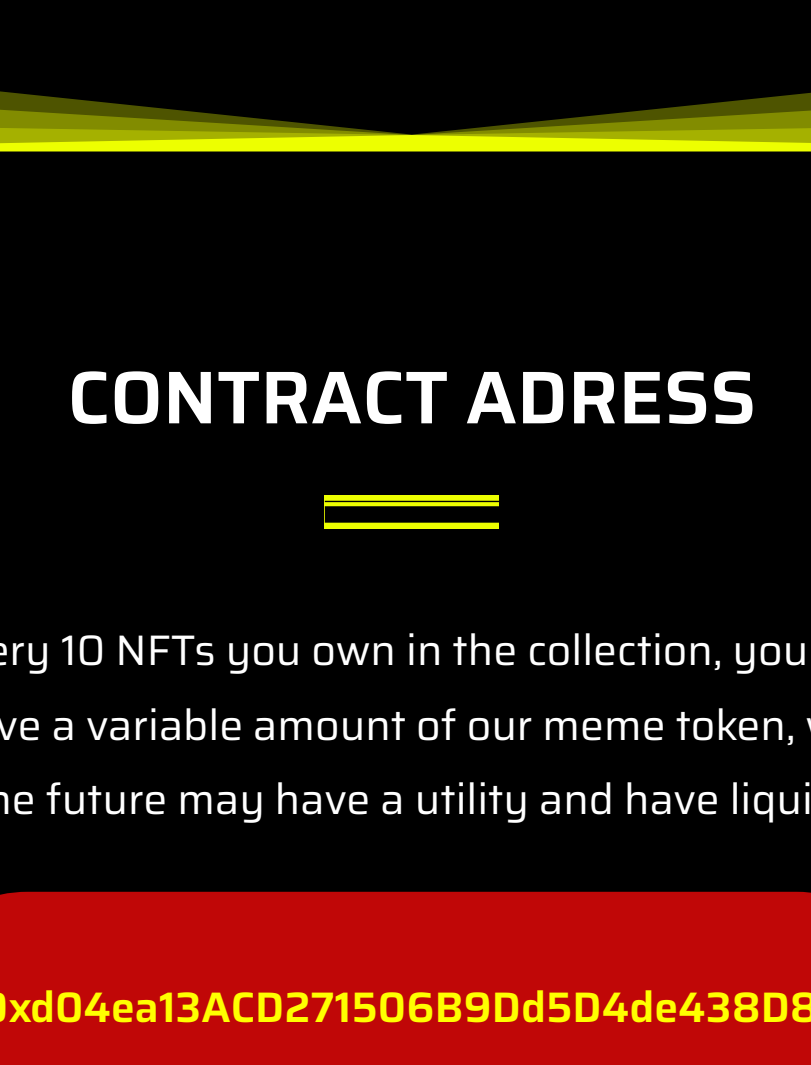

### PHASE # 03

Every 10 NFTs you own in the collection, you will receive a variable amount of our meme token, which in the future may have a utility and have liquidity.

### PHASE # 04

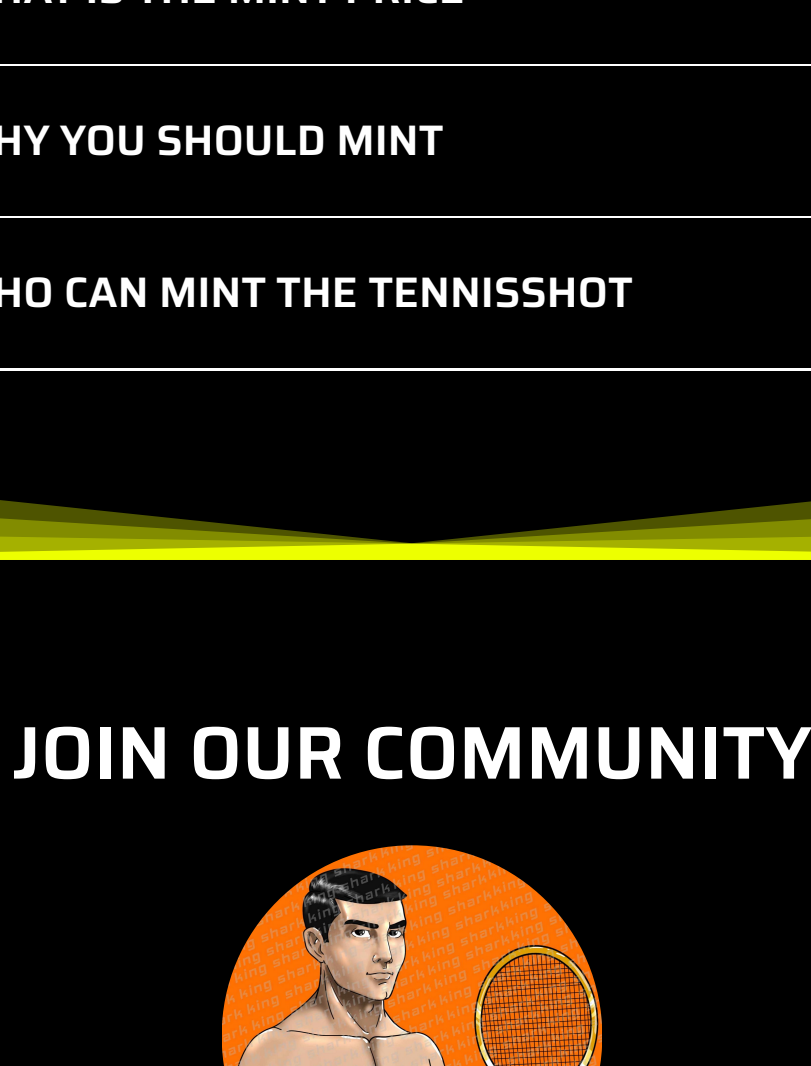

A second drop will take place with the opening of liquidity to the token that has been airdropped to you.

### PHASE # 05

Play to Earn Games
