Seminar on Career Opportunities in Hospitality Industry

During the seminar, I've learn a lot about Hospitality management. For the further information the resource speaker Sir Grayfield Bajao introduce us how this Hospitality management importance near at the future many would say that Hospitality management is easy because they think that this course is just for cooking, cleaning, they didn't know that this course can promote different job opportunities its either in land, fly or the ocean that mean you can use Hospitality management is tourism, bar, restaurant and in a hotel their have so many job opportunities that Hospitality management offers, and thus course we take should have an communication skills it is the first that wr must practice as an Hospitality management students because this course show communication you wilk face different people keep smiling, be a good looking and say the magic word to make the customers comfortable of your service. Sir Bajai said that if we take this course we should ask ourself first means our attitude, skills, and knowledge when applying in an hotel industry then want to have a good attitude first because skills and knowledge can be learn industry will hired attitude. And i was surprised of what Sir Bajao said that casino is also part in Hospitality management, and I'm so happy and blessful to meet Sir Grayfield Bajao because his words motivation us to pursue our dreams. I'm so thankful that he shares his words knowledge to us.
