

Food Recipe Landing Page

A responsive and elegant **landing page for a food recipe website**, created using **HTML, CSS, and Bootstrap 5**. It features a modern layout, recipe cards, and a clean UI, perfect for cooking blogs or culinary businesses.

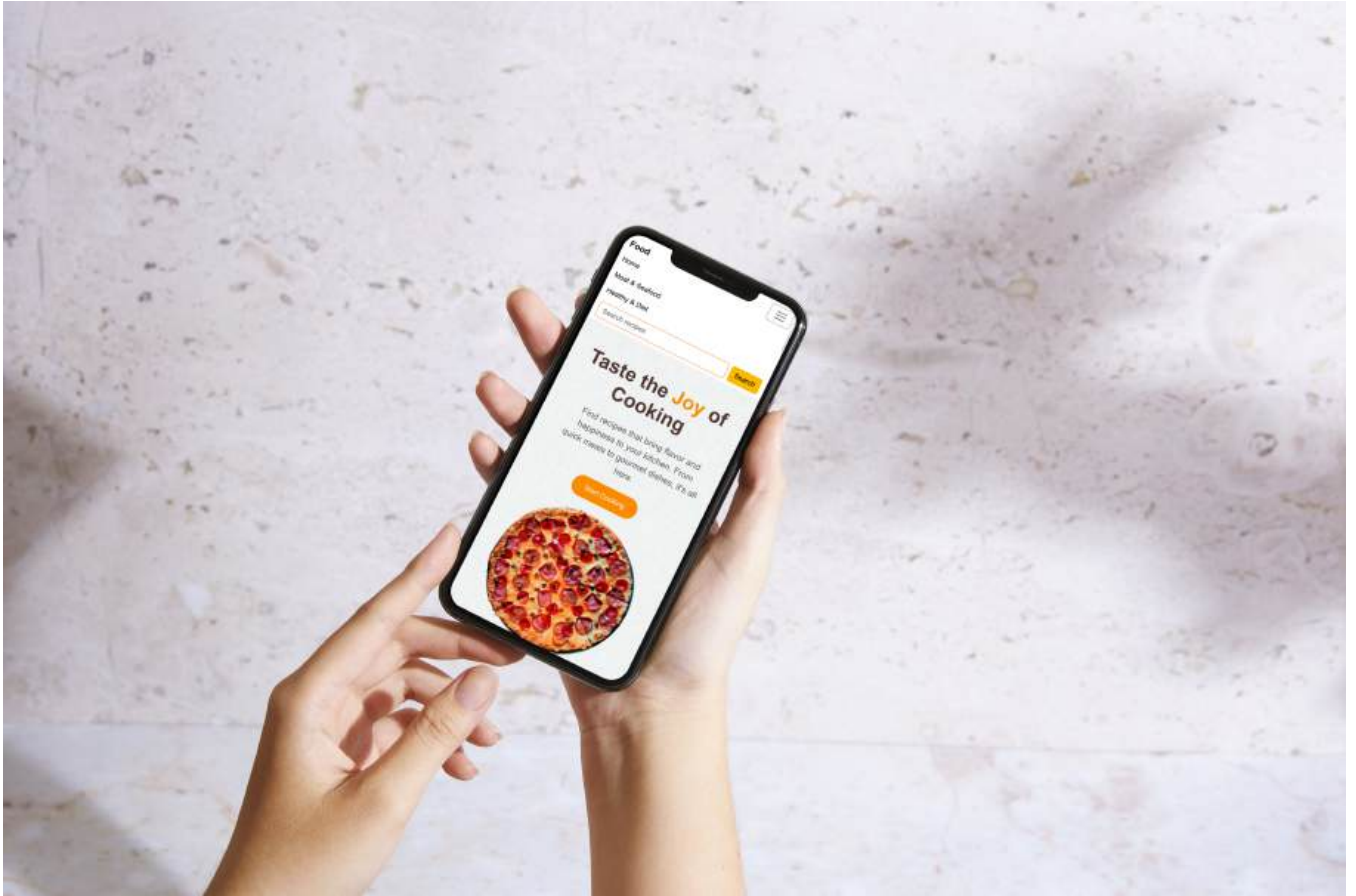

Features

-  Clean hero section with call-to-action
 -  Recipe cards grid (Bootstrap cards)
 -  Responsive navbar with Bootstrap
 -  Beautiful typography and colors
 -  Mobile-friendly with no JavaScript required
-
