

IMPORTING DOORS OR METAL WORKS FROM ABROAD?

WHY DO YOU HAVE TO SPEND DOUBLE ON METAL WORKS FROM ABROAD?

Imagine you get a door or any metalwork from abroad at the rate of \$ 1000, plus shipping fees and all, let's say you spend \$ 1, 400. What! What if there is a place here in Nigeria where you can get the same quality at a very cheaper rate not even up to half of what you would have spent if getting it from abroad!

You are surprised?

Don't be, there is a place here where you can get any form of metal works of global quality at a giveaway price.

You are still doubting it? Those that have tested us can testify to our quality products.

OLUWADAMILARE STEEL CONSTRUCTION WORKS is that place you can get your steelworks of global standard at a pocket-friendly price. They are experts in all kinds of iron doors, gates, dining table sets, railings, and so on.

Right now, we are doing free delivery of any order made till the first of September.

- Our products are durable
- Our gate has two years guarantee
- Our doors don't fold because we use quality materials

P.S: As I said earlier if you reach an agreement with us now till September first on any of our products and services, delivery is free.
